Apiti Domain Development	<p>Spouting has been completed on Pavilion. Hot Water heater in Pavilion we will now use Parks to do this, and they can pay for it. Will need to let James know this and that a new pump is needed. Felicity will contact James and will have to contact Uneedaplumber as we won't need to use them now. Plumber's advertising sign will be taken down by Russell. We will only have up during the Apiti Show if used. Put inside Pavilion. Talked again about sheep on Domain Russell will reinstate fence between cattle yards. The sheep have done a great clean up under trees at front. We would like this area mowed by Recreational services. They seemed to have stopped doing this.</p>
