4	Council report	<p>MDC has adopted the 10 year plan. The next big challenge is the government's 3 waters initiative which would possibly see these services centralised to ensure the same standards are adhered to in all of N.Z. A shame as MDC is very proactive in providing these services , could roading be next.</p> <p>Heather did discuss MDC commitment to CEDA and if their was good return on investment ,a 3 year notice of termination is required to exit the partnership with P.N council .</p>	H.G.T
5	Hall	1booking from neighbourhood support to hold weekly dance fit sessions starting 1 week of August	
6	Playground	<p>Keith has received a reply from Helen King who confirmed due to us not being a legal entity we are restricted to the amount we can apply for , 1 suggestion she made was to set up a give a little page , Ally T thought this was a good idea and could offer advice on how to set this up.</p> <p>The quote from the playground centre for the phase 2 extension came in at \$102,000 so obviously a no go . Parks and Recreation have agreed on a 50/50 venture to build swings on the barked area .</p> <p>Keith proposed we split phase 2 into 2 parts , prepare the base this year with basic equipment and apply to MDC for the next funding round 23/24 for more equipment. This was voted in favour unanimously.</p>	<p>P.S to follow up</p> <p>Keith to apply for funding and MDC</p>

		<p>bushes, someone has built a nice fence at the entrance of the reserve but nobody knows who !.</p> <p>Due to rubbish being thrown down the long drop a rubbish bin has now been placed on site</p>

9	Aly Thompson	<p>Aly is the new neighbourhood support team leader, she had asked us to provide a contact list of local residents so it is easier to make contact during an emergency, help to identify vulnerable neighbours who may need assistance, list skills and equipment that may be useful and to distribute information. Keith felt a little uneasy regarding people for personal contact details and the privacy required under the recent act , Ally was happy to assist with printed record sheets to give a more organised look.</p> <p>She will be holding dance fit classes at various locations in the district</p>	AT To compile fact sheet

		including our Hall .	
10	General Business	<p>Pete Gifford of Cheltenham Kennels who gave a presentation to us earlier in the year asked if we had reconsidered our decision not to purchase a kennel (\$16,000) at the new assistance dog training centre he is developing, the base is now complete thanks to Higgins Concrete and you can go on a 3D virtual tour by visiting the website . It was felt by the committee that it was unable to financially support the good cause due to the playground funding , however Keith suggested a private syndicate could raise the money . G Shannon,raised the matter of Haynes bridge being 2 narrow for a truck and car to pass one solution has been found by Keith , WAKA KOTAHI could make it safer by making it single lane , maybe we could ask the press to write a story if no joy with WK.Geoff also suggested a right turn bay for traffic heading south on Kimbolton Rd turning towards Vinager hill , this would have the added bonus of narrowing the road as per SC Dickens previous request.</p> <p>Lighting on the footpath s around the village is mediocre,Keith said during the upgrade in the CBD of Pahiatua light bollards had been installed which cut down on light pollution but light up the footpaths adequately, David Mills was concerned any more light would interfere with his stargazing hobby.</p>	<p>PS to follow up</p> <p>LDB TO FOLLOW UP</p> <p>KR to follow up</p> <p>LDB to follow up</p>
