Community get-togethers

- Fire Brigade looking for new recruits especially for the day shift
- **ANZAC Day 2022** - 26 addition crosses needing to be made in the New Year. Richard has made up a jig for the assembling.

Cemetery Land (Rachel)

- Lambs have been weaned (43). None were a good enough weight to go to the works. Thoughts were that due to lots having horns, they wouldn't have sold well in the store sale either so we bought them (weighed off and price devised by asking Stu Addenbrooke/Reece Staples).
- Ewes have been shorn (we opted to do this when we shored our ewes so there is a cost involved with paying shearers/shed hands this time).
- The ewes are ready for the ram to go out 14th Feb. At shearing there were only 28... originally there was 34 (pre lambing), 3 died over lambing + 1 after weaning (not sure why), so there should have been 30...2 have vanished!
- 3 2-tooths have been organised to be bought as replacements. Rachel to confirm price at next meeting.
- New ram is coming from Stu Addenbrooke – a huge thank you to him.

Entrance/Welcome signs (Richie)

- 'Halcombe' road sign – Richie has taken this down to repair. Needs to buy materials.
