Inwards Correspondence:

Email from Carl at Z Service Station, Sanson, advising the Committee that the AED is still at Z Sanson behind the counter for use by locals and anyone needing it.

Email from Denise acknowledging the changes to the way in which the Sanson Community Committee monthly minutes are posted once ratified.

Council Report: Andrew Quarrie.

Not a lot to report this month, with the lead up to the election, things slow down somewhat.

The hearings with regard to the waste minimisation are taking place, and the 3 waters debate is still on going.

Council elections will take place in Oct, anyone interested in standing, and would like to talk to me with regard to the duties of a councillor, feel free to give me a call. Andrew Quarrie. 06 324 8193.

General Business:

Grant approached Weekend Craft to repair the seat from the tarpot on Cemetery Road. Weekend Craft also enquired as to whether there are security cameras covering the playground due to vandalism in the playground.

Chris will contact Brynn to find out if there are security cameras around the playground and Sanson Community Committee asked Manawatu District Council if they could look into this.

As the Sanson Community Development Plan is up for review on Wednesday 14th September 2022. All members of the Community are welcome to come along and put forward their views on the future development of Sanson.

It was brought up by Kristi Whittaker at the May monthly meeting for discussion as to whether we change the Christian element for Anzac Day Service to accommodate other culture beliefs as this caused great discussion, it has been forwarded to the next meeting in July for further discussion and hope to get more input from the community.

The water leak on Cemetery Road, Sanson is being repaired.

Andrew Quarrie is still looking into sorting out the back gate at the playground.

Meeting Closed at 8.09pm

Next meeting in the supper room is on Wednesday 13th July 2022 at 7pm.
