## **General Business:**

**Council Reports:** Andrew Quarrie.

Manawatu District Council 10-year plan submissions closed on Wednesday 12th May 2021, and no one was really interested in supporting earthquake proofing to existing businesses by way of slight rate increase to residents. The availability of funding for community events and initiatives – as there is no money in the 10-year plan budget – if to continue, residents to have their say as to a rate increase to assist.

**Feilding Library:** Submissions for the modernisation, extending and carrying out earthquake strengthening of the library. Submissions before the 8th June 2021.

**Sanson Community Plan:** Is up for review. Other than the suggested actions/ideas are there any new ideas to add.

**Chorus:** The Shed the Light meeting held on Wednesday 5th May 2021 was quite informative and a good turn out from Sanson residents.

**NZTA Meeting:** This was held on Friday 7th May 2021 at the Sanson Community Hall in regards to the Ohakea Roundabout, improving the speed limits, safety of the road between Bulls and Sanson and a shared pathway from Bulls to Ohakea. This meeting was well attended.

**Sanson Community Pool:** Will be opening again end of October 2021.

**Old Stadium Wood:** This was picked up from Kristi and Paul's place by Recreational Services to see if any of it was reusable and Kristi said to contact them to see if any of it was reusable or whether it was too far gone.

**Unused Bank Account:** This will be closed asap as Sanson Community Committee no longer require it and a letter will be written up and signed for and authorised by Grant, Chris and Jen.

**Meeting closed at 7.50pm**

**Next meeting in the supper room on Wednesday 9th June 2021 at 7pm.**
