		<p>November.</p> <p>After much discussion, Janine will take back a few questions and suggestions to MDC Utilities.</p>	
3	Council update	<p>Janine gave an update of the Covid 19 MDC Emergency response .MDC welfare centre staff had assisted the community (mainly over 70's) with grocery shopping and prescription deliveries. The Iwi response had also included groceries and hygiene packs. Many people had benefitted from this service.</p> <p>Alison and Andrew reported that Council had continued to operate best it could under lockdown. The pool, library and council offices were closed to the public but staff were still available by phone and email. Council meetings continued but were all done via Zoom.</p> <p>The ongoing drought had also been quite hard on the rural community and MPI (Ministry for Primary Industries) was working with both Manawatu and Rangitikei Councils for some farmer social events and welfare support over the next month or two.</p>	
3.1	General Business	<p><u>Tangimoana Motor Camp.</u> MDC will be seeking Expressions of Interest to see if there is any individual or organisation that would like to operate the motor camp. There are some issues at the camp which make it challenging to operate like poor water supply and septic system.-Then there is the ongoing concern of the old macrocarpa trees. These are aging, probably rotten in the middle and will potentially cause damage to property and buildings if any blow over. They are also a fire hazard.</p> <p><u>Boat ramp.</u> The Tangimoana Boat Club would like to upgrade the boat ramp and have some money put aside. Alison would make enquiries with Ross Brannigan from Horizons as to what is the process.</p> <p><u>Tangimoana Centennial</u> Mar 2021. Annie will</p>

		<p>call a meeting of interested parties to start organisation. Janine recommended that they could apply to the MDC Event Fund. Annie gave Denise \$95.70 which had been fundraised for the centennial.</p> <p><u>Welcome sign</u> and driftwood moa Where is this at?</p> <p><u>Hall.</u> Has a leak that needs fixing in the back room.-Heating could we apply to Central Energy Trust for a grant towards heating. Next round in November. Quotes would need to be sort.</p> <p><u>Rangitikei River.</u> “Fines” from the upstream crusher plants were causing silting issues in the estuary and river mouth. Alison to contact Wayne Spencer at Horizons.</p> <p><u>Police.</u> There is a new position of a rural community cop in the Sothern Manawatu, Mark Linton.</p> <p><u>Tangimoana Fire Brigade.</u> Weren’t allowed to practise during lockdown but were allowed to attend callouts. –The foundations for the new storage shed would go down shortly.</p> <p><u>Tangimoana Saw Mill.</u> There are new owners . Using the existing resource consent they are re-starting after several years’ closure where they will be making pallets. May employ up to 50 people.</p> <p><u>Tangimoana School.</u> Going well. 22 pupils. Rugby posts from reserve were being relocated to the school.</p> <p><u>Community Honours.</u> Nominations for the annual awards close on 31st July.</p>
