Neighbourly website **Sue will post** for locals about this meeting as well after Christmas and new year Signage project for the walkway needs to be completed by the end of January. There could be an issue with the part of the walkway on non-council land.

Hall:Our hire agreement for the Hall to be worked on at the next internal meeting in January

Council Matters:New Ohakea water scheme the Government is putting in \$10.8 million and the local Council will be putting in the rest. Work on this will start at the beginning of next year for properties affected by the containment. The water will be able to be used for human and animal consumption. Road reseals have been completed in the surrounding area. Rongotea Road had

culverts replaced. Gorse is now growing on the side of the road on Tangimoana Road between Rosina and Champion Road since the recent road works. **Council to look into this.**

Safe school zones are being worked on for rural schools in 100km zones.

Economy in housing is tight to buy,rent and build at the moment and the Council are looking at what they they can do to help the situation.

Rural Zone review is starting next year. Land has been opened up on the North East end of Feilding changing it from rural to residential.

Manawatu in the next 10 years is looking solid and is getting quite a lot of Government spending.

General Business: Suggested that a footpath is needed coming into Tangimoana for the school children that live along there going to the Tangimoana school. BOT of Tangimoana needs to look at this and assess if it is a safety issue. **Alison to ask Matt at the council in regards to this as well.**

Recreation Services have a new mower and some areas around Tangimoana haven't been mowed properly such as Ellison Reserve. James at the Council to be notified as he manages this. **Hilary O to action this**

Geoff in Kuku Street is now looking after the green waste key and he said the payment system is going well with the local community and those coming in from out of the village.

Community Development Fund applications are available and they have 2 rounds one in June and the other in November. This would be something the new committee could look at for helping with funds for the Tangimoana Centenary Celebrations in March 2021.

Video footage of old images of Tangimoana to be made into a DVD for the Centenary Celebrations.

Hilary O to action

Previous bridge over Stick Creek that was moved by the local Boat Club and used as a barrier in the last flood.**Hilary O to ask if they can help in reassembling this**

Widening of an area for carparking on the corner of Beach Road needs to be mowed.**Cat to ask** local farmer Scott Tyree if he can help with this by using his slasher.

Subcommittee Reports Help needed in collecting native seedlings from the Reserve and growing them for the 2021 Centenary Celebrations tree planting.**Jenny R to post on Community Facebook page**

Firewood in the Reserve needs to be split up smaller for an elderly couple for have done a lot for the community and they need more firewood.**Brice to contact local Lions in Rongotea to see if they can**

help with this.

Ellison Reserve have \$5,000 to spend on trees and plants to use in the Reserve and they will need to meet with the Council Nursery Team as the trees and plants are grown for each order.
